Below the navigation bar, the page title 'OEKO-TEX® Label Check' is displayed. A sub-header asks 'Want to check an OEKO-TEX® label is official?' and provides instructions: 'Simply enter its number below. All our label numbers are case sensitive. If your Label Check does not bring up a result, please [contact us](#).' To the right of the instructions is a QR code and a small image of an OEKO-TEX label with the text 'MADE IN GREEN XXXXXXXX Institute www.oeko-tex.com'. Below the instructions is a text input field labeled 'Enter label number' and a green 'check' button. Underneath the input field, there is a link for 'Withdrawn certificates and labels'. A large green banner with a dashed red border contains the message 'The product ID is traceable. Take a look.' Below the banner is the OEKO-TEX logo and the heading 'Supply Chain'. The main content is a world map with several black location pins placed over Europe, Africa, and Asia. The map is framed by a dashed red border. At the bottom right of the map, there are zoom controls and a keyboard shortcuts link.

A large, light blue circular graphic is centered on a dark blue background. The circle is partially cut off on the right side by a vertical bar of the same color. The text 'Hohenstein.US/OEKO-TEX' is written in white, serif font across the center of the circle.
